Petitioner/Plaintiff hereby alleges as follows:

**I. INTRODUCTION**

1. The Urban Wildlands Group, Inc. ("UWG") seeks, under the California Public Records Act ("PRA"), certain documents and records related to the City of Los Angeles Department of Animal Service's ("the Department") kitten foster program and the Department's release of nonsterilized/unaltered kittens and cats. UWG has unsuccessfully tried to obtain this information from the Department of Animal Services, who has continued to refuse to turn over the requested records.

1 **II. STATEMENT OF FACTS**

2 2. The Urban Wildlands Group, Inc. ("UWG") is a tax-exempt, non-profit corporation  
3 under California law dedicated to the conservation of species, habitats, and ecological processes in  
4 urban and urbanizing areas.

5 3. UWG brings this action on its own institutional behalf and on behalf of its members,  
6 including those who live or work in Los Angeles.

7 4. Respondent/Defendant CITY OF LOS ANGELES DEPARTMENT OF ANIMAL  
8 SERVICES is a city agency charged with promoting and protecting the health, safety and welfare  
9 of animals and people in Los Angeles.

10 5. On June 3, 2016 UWG first attempted to obtain certain category of documents related  
11 to the kitten foster program and the release of nonsterilized/unaltered kittens and cats in the City of  
12 Los Angeles by emailing the City of Los Angeles Custodian of the Records requesting the  
13 documents in regards to the Department of Animal Service's kitten foster program and the release  
14 of nonsterilized/unaltered kittens and cats.

15 6. The Custodian of Records acknowledged receipt of UWG's request on June 6, 2016  
16 but failed to provide any further concrete information as to when the requested documents would be  
17 provided.  
18

19 7. On or about July 1, 2106 UWG again emailed the City of Los Angeles Custodian of  
20 Records to follow up on the request. The Custodian of Records failed to acknowledge receipt of  
21 UWG's request.

22 8. On or about July 31, 2016 UWG further followed up via email to the Custodian of  
23 Records. A true and correct copy of the correspondence e-mail chain described in paragraphs 5-7 is  
24 attached hereto as Exhibit "A".  
25

26 9. UWG repeated its PRA request via email to Ms. Brown on July 31, 2016. Ms. Brown  
27 never acknowledged receipt of UWG's repeated request. On November 5, 2016 UWG followed up  
28

1 on the unanswered email by requesting a response to the request, and explained that the Department  
2 had not produced a single document in response to its PRA request or explained whether or why the  
3 Department is withholding documents. Ms. Brown replied on behalf of the Department on  
4 November 5, 2016 promising that a response to the PRA request would be forthcoming. UWG has  
5 not received any further response to its PRA request. A true and correct copy of the email exchange  
6 between Ms. Brown and UWG, including the email attachment of the document provided as a  
7 response to the PRA request, is attached hereto as Exhibit 'B'.

8 10. UWG also sought help from the Office of Los Angeles City Attorney. On October 1,  
9 2016, via email, Dr. Travis Longcore of UWG sought assistance from Deputy City Attorney, Dov  
10 Lesel. Mr. Lesel responded that he would check on the matter and that he would call the  
11 Department of Animal Services. After receiving no response from Mr. Lesel, UWG again followed  
12 up via email on October 27, 2016. On October 28, 2016 Mr. Lesel sent an email stating that the  
13 Department of Animal Services was working on the request but provided no documents or concrete  
14 information on when the documents would be provided. A true and correct copy of this e-mail  
15 chain correspondence is attached hereto as Exhibit "C".

16 11. Frustrated with the City's lack of response to the PRA request, UWG directed its  
17 counsel to follow up with the City. On August 22, 2016, UWG's counsel, Jamie Garretson,  
18 contacted the City Clerk of Los Angeles via email and US mail, to follow up on UWG's PRA  
19 request. A true and correct copy of Ms. Garretson's August 22, 2016 letter is attached hereto as  
20 Exhibit "D".

21 12. The City Clerk of Los Angeles responded with no concrete information about  
22 UWG's request, but referred the inquiry to the Department of Animal Services. A true and correct  
23 copy of the City Clerk of Los Angeles' letter is attached hereto as Exhibit "E".  
24  
25  
26  
27  
28

13. As directed by the City Clerk of Los Angeles, Ms. Garretson forwarded the Exhibit C PRA request to the Department of Animal Services on August 30, 2016. A true and correct copy of Ms. Garretson's August 30, 2016 letter is attached hereto as Exhibit "F".

14. On or about December 15, 2016 UWG counsel, Ms. Garretson, again sent the PRA request to the Department of Animal Services. In this letter, Ms. Garretson warned that "[u]nless we hear from you within the next seven days, we will assume Animal Services does not intend to respond, in which case, we would have no choice but to resort to litigation to obtain the requested documents." A true and correct copy of the December 15, 2016 letter is attached as Exhibit G.

15. To date, City of Los Angeles Department of Animal Services has failed to produce the requested documents.

### **III. THE CALIFORNIA PUBLIC RECORDS ACT AND THE CALIFORNIA CONSTITUTION**

16. "Access to information concerning the conduct of the people's business is a fundamental and necessary right of every person in this state." Government Code §6250. "The people have the right of access to information concerning the conduct of the people's business, and, therefore, the...writings of public officials and agencies shall be open to public scrutiny" (California Const. Art. I, § 3(b)(1)), and "a statute...shall be broadly construed if it furthers the people's right of access, and narrowly construed if it limits the right of access." Art. I, § 3(b)(2).

17. The Public Records Act requires that public agencies such as the City of Los Angeles provide access to any public records requested by a member of the public that are not otherwise exempt from disclosures. Specifically, the Act provides that "Public records are open to inspection at all times during the offices hours of the state or local agency and every person has a right to inspect any public record, except as hereafter provided..." (Gov. Code §6253(a)) and "[n]othing in this chapter shall be construed to permit an agency to delay or obstruct the inspection or copying of public records." Gov Code. §6253(d).

18. Gov Code. §6253(c) provides that even in "unusual circumstances," public agencies are required to respond to Public Records Act requests within 24 hours.

IV REASONS FOR GRANTING WRIT

19. This Petition is brought under the California Public Records Act, Government Code §§ 6258 and 6259, which are the enforcement mechanisms of the PRA. Petitioner has no plain, speedy, adequate remedy in the ordinary course of law to secure the records sought, other than this petition.

20. The records sought here are not exempt from disclosure.

21. The records sought here are needed to shed light on the City of Los Angeles' foster kitten program and the practice of releasing nonsterilized/unaltered kittens and cats into the environment. These records are needed to assist UWG in its efforts to educate the public about the City of Los Angeles' foster kitten program, as well as to adequately participate in the Animal Service's Departments' expected upcoming environmental review of the Department's feral cat program.

WHEREFORE PETITIONER prays:

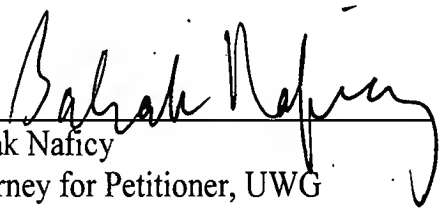

- (1) That the Court Issue an Order directing the City of Los Angeles, Department of Animal Services to release the records sought in Exhibit A attached hereto;
- (2) Alternatively, that the Court order the Department of Animal Services to show cause why the records should not be released, and thereafter order the records released;
- (3) For an award of costs and attorney's fees and costs pursuant to Gov. Code §6259(d); and
- (4) For such other and further relief as the Court may deem just and proper.

1. The Department has a foster program in which kittens are given to volunteers acting on behalf of the Department to raise up to an age where they can be adopted. For the period January 5, 2010 to present, we seek the following information:

- a) the addresses of the locations where kittens released under the foster program have been placed;
- b) the number of kittens released to each of these addresses by approximate age of animal;
- c) the number of kittens received back from each location by approximate age of animal; and
- d) all similar information for cats, if adult cats are provided as foster animals (as is implied by the foster application).

These animals are logged into and out of Chameleon (per the foster application; [http://www.laanimalservices.com/pdf/volunteer/foster\\_application.pdf](http://www.laanimalservices.com/pdf/volunteer/foster_application.pdf)) so an electronic copy of all foster records would be acceptable to go along with the addresses of each foster location.

2. We also seek records from the Department of all nonsterilized/unaltered kittens and cats that have been released by the City since January 5, 2010.

I assume that these records will come in the form of a spreadsheet that can be exported from your shelter information tracking system (Chameleon).

I submit this request for documents and information pursuant to the Public Records Act ("PRA") on behalf of The Urban Wildlands Group ("UWG"), a California Public Benefit Corporation (501(c)(3)).

UWG is an area leader for habitat preservation, active conservation and restoration of habitats, and advocacy for protection of remaining imperiled species and habitats in urban and urbanizing areas. As a registered charity, UWG receives public funds, including federal and state grants for land restoration and studies of biological resources and ecosystem function. Thus, UWG qualifies for and hereby

03/08/2017

requests a fee and cost waiver pursuant to the Public Records Act. UWG agrees to and intends to share any information that is obtained through this request with its supporters, conservation colleagues and others, upon request and at no cost.

We would be grateful if digital copies of responsive documents can be provided to us on a disk or via email attachment. Otherwise, we ask that you waive any fees and provide hard copies. Please contact me if you are unable to provide digital copies, or if the estimated cost of providing hard copies would be more than \$150.

Thank you in advance for your expected cooperation and assistance in responding to this request within 10 days. If you have any questions please do not hesitate to contact me at 310-247-9719.

Dear Ms. Brown,

Can you please confirm receipt of the request for clarification in my email of July 13, 2016, and treat it as a continuation of our CPRA request, since the document that you sent does not provide adequate information to support the assertions that were made by Ms. Barnette without being supplemented by other critical information that the Department has in its possession. To summarize these questions:

1. What is the estimated holding period for cats in these calculations?
2. Are the estimated holding periods for feral and stray cats (as defined under State law) different? If so, what are they?
3. Does the Department of Animal Services do any behavioral assessment to determine which cats are stray and which cats are feral, as defined under State law?
4. On what basis does the Department assume that the number of feral cats euthanized each year is equal to the number of cats euthanized minus the number of dogs euthanized each year?

Please provide me with any and all documents that contain information

03/08/2017

that answers these questions. Again, the answers should be easy to find and provide since they would have to be readily available to make the estimate in the spreadsheet that you provided.

I look forward to your prompt attention to this request.

Dear Ms. Brown,

Thank you for sending this. I believe there is an inconsistency in the document — it states that the holding period for the cats is 20 days, but then the figures indicate 9 days (7 at one rate and then 2 at another rate). Can you please confirm the estimated holding period for feral cats in these calculations?

Also, please let me know the basis for the assumption that the number of feral cats euthanized each year is equal to the number of cats euthanized minus the number of dogs euthanized each year. Does this estimate include stray cats as well as feral cats, or just feral cats (as defined by state law)? It appears that the estimate is not based on any behavioral determination of which cats were lost, stray, or feral, can you please confirm this?

Travis Longcore

Hi Dov,

Still nothing on this request. Do I need to ask our attorneys to send a formal letter letting the City know when we will file suit?

Best regards,

Hi, Travis.

I spoke to the Dept about the request and they are working on it. For some reason, they are having problems pulling up the info. I should have had them communicate with you.

I was promised that they would have the glitches solved by next week. I am copying Dana Brown, the Dept AGM who is working on this.

**RE: Public Records Act Request**

To Whom It May Concern,

I am writing this letter on behalf of my client, The Urban Wildlands Group ("UWG"), a charity dedicated to habitat preservation, active conservation, and restoration of habitats. The UWG has made multiple requests under the Public Records Act ("PRA") for specific documents that have gone unanswered. Under the PRA you are legally required to respond within ten calendar days to a document request. If you do not respond to this letter within ten calendar days, we will bring suit to obtain the requested documents.

Document Requests

1. On June 3, 2016 UWG emailed the Custodian of the Records requesting the documents in regards to the Department of Animal Service's kitten foster program and the release of nonsterilized/unaltered kittens and cats.
2. On July 1, 2016 my client again emailed the Custodian of the Records to follow up on its unanswered request.
3. On July 31, 2016 my client further followed up via email to the Custodian of Records.

Documents

- The addresses of the locations where kittens released under the foster program have been placed;
- The number of kittens released to each of these addresses by approximate age of animal;
- The number of kittens received back from each location by approximate age of animal; and
- All similar information for cats, if adult cats are provided as foster animals (as it implied by the foster application)
- Records from the Department of Animal Services of all nonsterilized/unaltered kittens and cats that have been released by the City since January 5, 2010.
